

First selection of candidates for Taijiquan residential course of 3/5 years in the main site of International Taijiquan Kung Fu Association (ITKA)

The Purpose of this initiative is to develop an high level study group for Taijiquan. The selection will be useful to evaluate the practice potential, and will also be necessary to get admitted to the School of ITKA as “residential student”. A previous specific experience in martial arts it’s not required, both taijiquan or other martial disciplines; the appraise during the selection will evaluate the psycho/physical profile of the candidates, to assure the standard needed to attend the whole course, keeping an high performance level. The candidates must have a positive medical suitability for sport activities, and also must be elegible to be domiciliated in Italy.

The candidates won’t pay anything to join the selection.

Basic Informations:

- -The complete course will take five years. During this period, training will comprehend the hortodox program of Chen Style Taijiquan and a focus on specific arguments as: qi gong, self defence, agonistic issues/combat sports, Taijiquan for kids and teenagers.
- Resident students will be supported, during the whole period, for all the necessities (study, lodging, food etc.) with a particular aid for logistic management of study in Schools/Universities. Students could also attend certificated courses organized inside the school itself (Tui na, Shiatzu, agopuncture)
- Lessons will take four hours every day, technical programs will be structured on course duration (from three to five years)
- The activities will suspend for twenty days in summer. Students will have a free weekend every month and, when requested, it is possible to get a longer period along the family for two times a year.
